Dear Parents,

New Diana ISD is considering students for the gifted and talented program. Parents or anyone interested in nominating a student may do so by acquiring a form in the office at each campus. Nominations for all campuses will be accepted February 19, 2018 through March 2, 2018 with services beginning the next school year. This program is designed for students who perform at or show the potential for performing at a high level of accomplishment when compared to others of the same age, experiences, or environment.

Students in the New Diana ISD shall be identified as gifted/talented in accordance with a written policy that meet standards set by the Texas State Plan for the education of Gifted and Talented Students. Students will receive an array of learning opportunities designed to enhance and enrich the regular classroom education. Each year New Diana ISD extends the opportunity to participate in this program to any student who meets the criteria by holding a nomination process. You may contact Dr. Farler for additional information concerning this program

D. Scott Farler, EdD.
